New Zealand Finance Holdings Limited (NZF) – Continuous Disclosure Notice

NZF advises that:

1. As a result of the offer by MPMH Limited for all the equity securities in Mike Pero Mortgages Limited (“MPM”) going unconditional, NZF will record a material increase in its six month profit after tax as a result of the one off gain on the sale of the shares in MPM. This one off capital profit will add \$3.5 million to the NZF six month result.
2. Westpac Institutional Bank has approved and implemented an increase in the mortgage securitisation warehouse facility for NZF Mortgages Limited, a subsidiary of NZF. This facility has been increased from \$100 million to \$150 million and is the result of increased demand for this product and will assist in the continued growth of the NZF securitisation division.
