CAPITAL NOTES (NZF010)

NZF Group Limited (NZF) Capital Notes – Extension of Notification Date for receipt of Election Notices of NZF Capital Notes (NZF010)

As at 24 February 2011, the level of acceptances for the “Renewal Option” on NZF Capital Notes was 81.6% by amount and in light of the Christchurch earthquake impacting on the mail system (not to mention the massive impact on the lives of its residents), the Trustee has agreed to extend the Notification Date for receiving Election Notices from 5pm 24 February 2011 to 5pm 10 March 2011.

The branch of the Registry managing the NZF Capital Notes maturity (Link Market Services) is based in Ashburton, whose mail system routes via Christchurch.
